Fotografija /Photography: **NISVET HRUSTIĆ**

Kratak sadržaj:

Zaljubljenik prirode, sume, vode i astronomije pokušava sam napraviti vikend kuću i dovesti do nje neobičnu šumsku vodu u dužini od 1200 metara. Uz skromne istočne finansijske mogućnosti i zapadne ideje koristi neupotrebljiv otpadni materijal, čuva okolinu, te nailazi na nerazumijevanje i ismijavanje lokalne sredine.

Programme summary:

Nature lover, forests, water and astronomy lover, he tries to build a holiday home and bring closer an unusual brook in the length of 1200 meters. With modest Eastern finances and Western ideas, he uses useless waste material and in that way preserves nature, although he is faced with misunderstanding and mockery of the locals.
