THE WEST IN THE EAST
59° Trento Film Festival 2011 TERRE ALTE

Nisvet Hrusti?
BOSNIA-ERZEGOVINA, 2010 / LENGTH: 22'

PLOT DIRECTOR BIOGRAPHY AWARDS

In search of a new relationship with nature, a man tries to construct a house for himself in the woods on his own, doing his best to link up to a distant water source. With few financial resources, he uses timber offcuts as construction material, conserving the environment, amidst the hilarity of the whole local community, which however in the end...
